

CINEMA GROUP, 2017-2018

This group meets once a month to view and discuss movies. Movies, which are viewed on DVD, are selected by group members on the night from possibilities offered by the Group Chair, a member of the Film Studies faculty at the University of Illinois. Recommendations from group members are welcome. All genres, all countries, all years are possible.

The schedule for this year will be:

October 2

November 6

December 4

February 5

March 5

April 2

May 7

(June 4?)

Meetings start at 7:30 pm at Sandy Camargo's house, 202 West Pennsylvania Avenue, Urbana (607-2465). Unfortunately, due to the size of her "screening room," space is limited to around 12 people. Parking on the south side of Pennsylvania only, or behind the silver Subaru in the driveway.
