Celebrating 100 Years of Building Community at UIUC

2006! What an exciting year! The Women's Club celebration of our Centennial year is in full swing. We had so much fun the first part of the year with our Centennial Gala in January, the Tuesday Tea in February, seven special scholarship recipients at our brunch in March, and a fashionable Spring Luncheon. And have you been to the Farmer's Market this summer? The Women's Club has a booth—selling tiles and promoting our club! Fall of 2006 promises even more exciting activities!

The Board has been working actively over the summer to plan many exciting events for the fall. First, we will be encouraging newcomers to join at the new-hire events in August. Fall Sign-up will be at the Krannert Center lobby this year to make sure those members who work on campus have the opportunity to sign up with us! Our efforts to increase our membership rewarded us with an increase of at least 50 members last year, and we hope to double that number during the coming year. For those of you with spouses who attend evening events and luncheons, we have introduced a special membership category for couples. For only \$30 you *and* your spouse/partner can enjoy membership benefits including paying member fees rather than guest fees for general events and, at the same time, give extra support to the Women's Club.

Our big event this fall, the Centennial Fall Luncheon, will feature as our speaker **Coach Bruce Weber!** He will be updating us on the upcoming basketball season and answering your questions. This unique opportunity will be held at the new Alice Campbell Alumni Center on October 18th. Sign up early as this event will be open to the public and may sell out. We hope this special event will make the Women's Club more prominent on campus and bring in new members.

This fall, we plan to be ever more visible on campus by hosting a monthly Women's Club networking party at Krannert Uncorked. Highlight your calendars for an after-work get together—meet new friends and old!

Be sure to check out the Tours section of the newsletter. We have several fun and informative local tours planned for all our members in addition to some special events for Newcomers. We also are looking forward to a combined tour with the Symphony Guild to Chicago and a visit to Indianapolis this fall.

Decades of Giving, the campaign to increase our scholarship endowment, has reaped good results, and we still have time and opportunities for all our members to become involved. Please read the Decades piece in this newsletter and consider increasing your scholarship donation in this Centennial year.

Last, but not least, be sure to check out all our Interest Groups. Several groups that were new last year have become quite popular. Don't miss out on any of the fun!

I am looking forward to seeing each of you some time during the coming year. Be active, be happy!

Cinda

Decades of Giving

An Opportunity to Increase our Scholarship Endowment

To all who have donated to the Centennial Celebration's Decades of Giving, thank you. Your generous donations will assist the Women's Club to assure that scholarships will continue to be given over the next century here at the University of Illinois at Urbana-Champaign. As a club, our strong belief in the importance of assisting qualified students with their educations has made an important difference in literally hundreds of students' lives over the past century.

The Decades of Giving campaign has been quite successful so far, raising nearly \$17,000, but we have yet to meet our goal of \$25,000. The importance of meeting this goal cannot be understated. As we continue to celebrate our Centennial Year, 2006, we ask that you consider giving even more than you have to assist the club in this effort. The levels of giving are listed below and are cumulative—the amount you gave last year will be added to this year's donations so you can reach a new level with an additional donation. Everyone who donates will be acknowledged in the February newsletter. As a special thank you—all members and their partners who donate at the 2006 level will be invited to enjoy a Holiday Buffet dinner with University of Illinois President and Mrs. B. Joseph White at their home this December.

A bit about our featured speaker...

Bruce Weber joined the U of I as men's basketball coach in April 2003, and the basketball program has enjoyed unprecedented success during his tenure. In his first season, the team won its first outright Big Ten title in 52 years and advanced to the Sweet Sixteen. The centennial season, 2004 – 2005, was the greatest in Fighting Illini history, with a place in the Final Four, culminating with the team as national NCAA runner-up. With all these accomplishments, Bruce swept the 2005 National Coach of the Year awards. His leadership reaches beyond his basketball players to inspire students and others throughout our community.

A Century of History for the UIUC Women's Club

by Nancy Komlanc and Vivian Larson

“We're Not Getting Older–We're Just Getting Better: 1957 - 1982” – Part Three

The month of October, 1962 forever changed the course of the Women's Club at the University of Illinois as the “Tuesday Tea and Newcomers Group” voted to incorporate as one organization with the new name: “The University of Illinois Women's Club.” In three short years the Club had a membership of 860 (can you believe 614 attended the October dessert?). There were seventeen distinct Interest Groups. One such group was the sewing group concentrating on millinery and leatherwork, instead of the crafts and sewing projects we see in today's group. The Newcomers Group continued its efforts now as an interest group as well, providing friendships to new members of the community. Regular meetings were held providing programs about the community and the University, and social teas, brunches, and lunches strengthened the growing organization.

The Dean of Students' office was very much involved in the Women's Club scholarship program. The office provided names, encouraged applications, and interviewed each student. After the custodian of scholarships and the committee met to determine the recipients, the custodian met with the Dean to clear selections. The Women's Club 100 years of success at the University of Illinois has helped hundreds of students financially. The scholarship fund, started in 1915, was originally used as loans to needy students, but by the time of our incorporation in 1962 and the prosperity of the United States, the Women's Club was able to invest these funds and establish a permanent scholarship. Initially, the scholarships were awarded to successful female candidates, thus in our own small way, we helped to promote greater female attendance at the University. During these 25 years, we gave approximately 67 scholarships or the equivalent of \$14,000.

In 1966, through numerous meetings, it was decided that the University of Illinois Foundation would receive and hold funds of the Women's Club to be designated as the University of Illinois Women's Club Loan Fund. This fund was to be administered by the Foundation with assistance from University officers and with recommendations from the Women's Club. The custodian, as chair of the University of Illinois Women's Club Loan Fund, served as liaison between the Club and the Foundation in its administration of the fund. During the year 1975, the Club By-laws Revision Committee revised the scholarship section. The procedure of handling money and awarding scholarships and loans had been changed by a vote of the membership to transfer the funds from the Foundation to a new account.

Our next significant change occurred in the 70's as we officially incorporated as a not-for-profit organization and our scholarship fund reaped the benefits. Soon after, the Club needed to meet changing affirmative action policies and welcomed men into membership roles and offered scholarships to male students. At the end of the decade, we officially renamed the organization “The Women's Club at the University of Illinois at Urbana-Champaign”. Whatever our name has been, we have been an organization that has touched lives in friendship, education, and service.

Hence, "we're not getting older - we're just getting better."

Women's Club Interest Groups 2006 - 2007

One of the most rewarding aspects of participating in the Women's Club is belonging to the various Interest Groups. In these informal social gatherings, members meet to explore common interests. As a paid member you may join or visit any Interest Group at any time during the year. Please join with our couples membership for activities involving couples. Sign up for the groups of your choice at the opening meeting on Friday, September 1st. If you can not attend, please mail in your membership dues and then contact the Interest Group Chair of your choice to join that Interest Group.
